### HONORS AND AWARDS

- 1993 Psi Chi, The National Honor Society in Psychology
- 2006 Fellow of the Year, Saint Vincents, NY

### RESEARCH

- 9/91 – 5/93 Research assistant to Dr. Byron Ward, Villanova University, Villanova, PA  
Mechanisms of neuronal sexual differentiation; investigation of sexually dimorphic spinal nuclei innervating musculature regulating penile function. Study provided insight into means by which prenatal and postnatal hormone concentrations influence sexual differentiation of steroid hormone sensitive target systems.
